

Annual Report 2016-17

As we are stepping into the Centenary Year, we have been constantly updating all the alumni about various ideas from our end and also invited suggestions from their end. We have met the Vice Chancellor of Bangalore University along with faculty and senior alumni and requested to form the Centenary Committee so that the Celebrations can happen in grand manner. We are also continuing our other initiatives in parallel and plan to conduct a Centenary Marathon shortly.

Major Initiatives:

- We supported campus cleaning initiative and joined hands for “Shramdaan” along with financial support. Also, we helped students setup a room for G2C2 (Go Green College Club) in college.
- Scholarships to 60 students in total for the year 2016-17 were awarded.
- We distributed around 100 tshirts as token of appreciation to students by recognizing them as VU champs (Along with Certificates)
- Supported “UVCE Jaatre” for successive 3rd year and “Thank You UVCE Day” by planting some saplings in college for the current graduating batch.
- Sponsored eMPower UVCE Team & SAE Team to participate in GoKart championship and as well as in BAHA
- Planned for 5K Centenary Marathon during the month of April to commemorate the Centenary Year of UVCE. The idea is to get alumni and students register and organize the run from college to Cubbon Park and back to college. We intend to distribute Tshirts, Medals, Certificates and breakfast to all the participants. We are also working on getting Sponsorships for the same and have got positive responses from many people.
